Obituary.

James H. Hughes, son of Samuel and Eliza Hughes, was born Oct. 23, 1839, and died March 6, 1913, on the farm where he was born and reared near Rainsboro, Ohio.

Dec. 16, 1870 he was married to Mary Foraker. To this union were born three children, Cora, wife of Austin Beavers, Clara and John, all of whom are living to mourn the loss of father. James H. Hughes was a man of sterling worth, honest, upright and industrious. He was a noble son, giving his thoughtful care to the welfare of his parents. After his marriage he spent two years on the Bechtel place near New Petersburg and then the failing health of his parents required his presence in the home and here he remained caring tenderly for his aged parents and here he has remained ever since and here when afflictions and feebleness came he was tenderly, patiently and lovingly cared for by his own children.

Just previous to the death of his wife, which occurred April 10, 1910, he was stricken with paralysis. After a partial recovery he was able to go about and attend to some of the duties of the farm. Six years ago he had a second stroke, since which his days have been spent in helplessness and feebleness. But now he has passed from weariness and pain to the rest beyond, to join wife, father, mother, brother and sister in the land beyond the skies. He leaves 3 children, 3 grandchildren many relatives and a host of friends to mourn her loss.

J. H. D.

Why He Was Late.

"What made you so late?"
"I met Smithson."
"Well, that is no reason why you should be an hour late getting home to supper."
"I know, but I asked him how he was feeling, and he insisted on telling me about his stomach trouble."
"Did you tell him to take Chamberlain's Tablets?"
"Sure, that is what he needs." Sold by all dealers.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.

Put the Load Where It Belongs

If you are to make the most of your time and opportunities, you must have efficient tools to work with. You have enough hard, tiresome work without wasting your time and energy at wood-sawing, water-pumping, grindstone-turning and the like. Use an IHC engine to furnish power for such work. In less time, and with far less effort, the wood is sawed, the stock watered, the tools sharpened, all at one-tenth the expense of hand work. Put the load where it belongs. Buy and use an

IHC Oil and Gas Engine

It is the cheapest engine you can buy because it costs less per year of service than others. It is so powerful that it will carry a load ten per cent or more above its rated horse power. Perfect combustion makes it economical.

IHC oil and gas engines operate on gas, gasoline, naphtha, kerosene, distillate, alcohol. Sizes are 1 to 50-horse power. They are built in every approved style; vertical, horizontal, portable, stationary, skidded, air-cooled, and water-cooled. Sawing, pumping, spraying outfits, etc. IHC oil tractors for plowing, threshing, etc., 12 to 60-horse power.

See this engine at the IHC local dealer's place of business and learn what it will do for you. Or write for catalogues.

Obituary.

Robert D., son of John M. and Sarah Jane Kinzer, died at his home in New Vienna, O., March 19, 1913. He was born near Highland, O., July 6, 1876.

He remained in the home of his parents until his marriage with Malinda Devitt, which occurred Sept. 26, 1901. To this union were born two children, one son dying in infancy and Arthur Roy, now three years old, and this little child, one of God's most precious gifts of heaven to earth, is left to be a comfort to his bereaved wife, parents and sister. Robert was frail and delicate in health from childhood and was carefully nurtured and cared for by his family. Two weeks ago he was stricken with disease that baffled the skill of physicians and friends. Though intense suffering he was patient and asked that prayer be made that if it was God's will he might be freed from pain, that he might be at peace.

"So let us try and not rebel. Bu to his will serenely bow. For could we note beyond the gates The gates of everlasting life. The happiness that there awaits Dear ones, released from care and strife. Our hearts would sing for joy and we No more should yield to dull despair. We cheerfully the cross to bear While lingering on earth below. More patiently to watch and wait Until we're called to enter through Loves beautiful and golden gate."
